Join us for the most important meal of the day!

Children who qualify for free- and reduced-price lunch also qualify for free- and reduced-price breakfast — with no additional paperwork. All they have to do is show up!

Breakfast is served every school day 30 minutes before the start of classes.

Full price is 90 cents per meal for elementary students and \$1.10 per meal for middle and high schools. Reduced-price is 30 cents per meal and \$4.80 for a month.

Canyons District has launched a free mobile app for lunch and breakfast items. The Nutrislice app is available for iPhones, iPads and Android phones.

Start the Day Right

Beginning the day with a nutritious breakfast has been proven to increase a child's ability to excel academically, follow behavior guidelines and maintain high energy levels throughout the day.

For about \$1 a day your child can start the day with a nutritious breakfast in the school cafeteria.
